DESCRIPTION Resource Partners is an accomplished private equity investor focusing exclusively on equity investments in Central and Eastern European countries. We seek to invest primarily in growth and expansion with only limited buyout element in profitable medium and small companies. We focus on industries where our team has firsthand experience and which we understand well, such as: consumer goods and services, retail and distribution, healthcare or manufacturing. We finance business expansion through capital increase and acquisition of existing shares. The Fund offers also rich experience in business development and value creation
