DESCRIPTION NATTAN S.C. is the producer and exporter of fresh fruit and vegetables from Poland. All products are sorted and packed according to the requirements of quality, food standards and delivered at a fair price to our Client. Our experience and product knowledge help us to build the base of our suppliers thanks to which we are able to provide products to satisfy every customer. We know that quality, packaging methods, delivery on time and error-free documentation are as important as an efficient customer support and full information.
